

Why is it called Sergio's?

Sergio Jaramillo was 60 years old and lived unhoused in Thurston County for over 20 years. Sergio had accessed every possible resource in Thurston County yet continued to fall through the cracks of the safety net. In 2019, Sergio passed away. He was deeply loved by everyone who knew him.

Our inspiration has always been to create a space for people like Sergio with no other options. We continue our resolve to create the solutions we need so people like Sergio may live full, healthy, and safe lives.

Bus route: Take bus 62A or 62B. If you are coming from Lacey, get off at Mary Elder Road. If you are coming from Olympia, get off at the stop just after Ensign Road by Merritt Manor. The main entrance is located at the front, facing Martin Way.
